#### FINISH

The standard finish of UrbanWood flooring is DuRa Finish Ultra Matte, a highly protective wood finish that looks natural and harmonizes with wood's natural texture. A commercial grade finish is available as an optional upgrade upon request.

#### HEALTHY HOME

GREENGUARD Gold certification proves that UrbanFusion floors have proven ultra-low VOC emissions and contribute to a healthy living environment with excellent indoor air quality.

#### GREEN MANUFACTURING

All UrbanWood floors are manufactured in a state-of-the-art wood flooring manufacturing facility that is fully owned and managed by Creative At Home Enterprises Inc. The facility runs on green, renewable energy, is Zero-Waste Certified, and is designed to provide a healthy, VOC-free working environment for its employees.
