TEXTURE

Flat surface with light to medium wire-brushed texturing highlights the wood's beautiful grain pattern, creating a natural look and feel

BEVEL

Micro-beveled on 4 sides

WOOD FILLER

All wood floors require some amount of wood filling to compensate for surface imperfections. All voids are expertly filled with colour coordinated wood fillers to achieve the most natural, harmonious aesthetic

HERRINGBONE / CHEVRON

Available in Herringbone and Chevron patterns

GREEN MANUFACTURING

All UrbanWood floors are manufactured in a state-of-the-art wood flooring manufacturing facility that is fully owned and managed by Creative At Home Enterprises Inc. The facility runs on green, renewable energy, is TRUE Zero-Waste Certified, and is designed to provide a healthy, VOC-free working environment for its employees. The facility is ISO 9001 (Quality Management) and ISO 14001 (Environmental Management) certified

FINISH / GLOSS LEVEL

DuRa Finish™ Ultra Matte looks natural and harmonizes with the natural texture of wood while providing superior protection. Its beautiful appearance mimics a natural oil finish, and its high degree of clarity creates the radiance and wood luster that UrbanWood floors are known for.

As an option, DuRa Finish™ Ultra Matte can be upgraded to DuRa Finish™ Commercial. This is a great solution for flooring used in a commercial setting where it will receive more foot traffic than in a regular residential application, and where increased abrasion resistance is required

Matte finish with a gloss level of 6-8%

WARRANTY

DuRa Finish™ Ultra Matte: Dura Finish 30 Year Finish Warranty; Limited Lifetime Structural Warranty; 3 Year Light Commercial Warranty

DuRa Finish™ COMMERCIAL: 10 Year Commercial Wear Warranty; Limited Lifetime Structural Warranty. 60 year Residential Wear Warranty applies when using Commercial Finish in residential settings

ECO CONSIDERATIONS / CERTIFICATIONS

Third-party certified by Underwriters Laboratories to the level of GREENGUARD Gold, demonstrating the most stringent level of low emissions available to ensure a healthy living environment with excellent indoor air quality. CARB II compliant
