

URBANWOOD

À LA CARTE

PROGRAM

Your Project, Your Way

Discover how the À LA CARTE program caters to your budget, species, grade & colour needs

See the Video!

KLICK 638 SERIES

638 features Elite Grade European Oak on a eucalyptus plywood click system, and is available in a plethora of fashion forward, designer approved colours.

Klick 638 is the recommended option when seeking a clean, modern look with great cost performance.

THE À LA CARTE PROGRAM

UrbanWood's À LA CARTE is a program that offers designers, specifiers and construction management professionals maximum flexibility to mix and match colours, specs and platforms and create their unique, perfectly customized flooring solution for any major project.

À LA CARTE grants design professionals creative free rein to choose any colour they wish, while offering a wide selection of available platforms that will satisfy construction requirements and keep the project on budget. For more info visit urbanwoodfloor.com/platforms
