

HERRINGBONE

DEDICATED STOCK PROGRAM, FEATURING 4 KEY COLOURS

STOCKING PROGRAM SIZE: TRANSITIONAL: 5" X 30"

UrbanWood's customers tend to value the freedom of expression for creative designs, so we have responded by making the most popular colours of the UrbanWood palette available in our herringbone specification. **Avondale**, **Soho**, **Westside**, and **Yaletown** are available in herringbone, providing a new avenue for creative expression.

compatibility with regular plank flooring

All of UrbanWood's herringbone planks are milled, textured and finished to be a perfect match to UrbanWood's regular plank flooring. This allows for project designs where herringbone will be used in some spaces, and with regular plank flooring used in other adjoining spaces

installation

Herringbone and Chevron patterns require a full spread glue-down application only. Refer to the full spread glue-down page for detailed instructions. Approved for installation over Radiant Floor Heating systems

green manufacturing

All UrbanWood floors are manufactured in a state-of-the-art wood flooring manufacturing facility that is fully owned and managed by Creative At Home Enterprises Inc. The facility runs on green, renewable energy, is TRUE Zero-Waste Certified, and is designed to provide a healthy, VOC-free working environment for its employees
